

FROM THE PRINCIPAL

Dear Parents and Community Members,

During the 2016-17 school year Cascades students finished the third year of Smarter Balanced Testing, (SBAC). All of our students did very well.

I am so proud of our students and teachers, because they have done “whatever it takes” to be successful life-long learners.

Teachers worked very hard to differentiate instruction and prepare targeted instruction to meet the specific needs of the learners.

I rely on our entire school community (parents, extended families and community organizations) to support learning. If we all work together our students will continue to experience growth in their academic performance. It is critical that every student values education and this comes from families taking the time to set goals, work hard, attend regularly and read with their student.

Thank you for being our educational partner!

Thank you,

Principal | Tami Volz

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

2014-15 was the first operational year of the new English language arts and mathematics assessments.
