FROM THE PRINCIPAL

Dear Parents and Community Members,

Our vision for Green Acres...is a diverse community empowering the success for all! At Green Acres we believe all students can achieve success in their pursuit of becoming career and college ready. We provide a safe environment where every child is supported to take charge of their education and can reach his or her potential. We acknowledge the worth of every individual, understanding that each person can make a difference in the world. We collaborate with our diverse community in the education of all of our children.

Green Acres School is a K-5 and Title I school and receives resources to provide extra support in literacy and math. Green Acres is a Positive Behavior and Interventions Support (PBIS) school and through solid routines and procedures we strive to create a safe, positive and respectful environment. We teach, model and expect students to follow the Green Acres School Expectations of: Be Safe, Be Respectful, Be Responsible and Be Kind. We believe in being partners with our students' families and

in working together to ensure student success. We strongly encourage families to monitor student attendance and homework, actively communicate with teachers, attend parent teacher conferences, and volunteer

This year, Green Acres is excited to continue our work as an AVID (Advancement Via Individual Determination) elementary school promoting college and career readiness. Our teachers will be utilizing instructional strategies that engage students in learning making college readiness a reality for every student. There will be opportunities for families to learn more about our AVID program through upcoming school and district events.

We look forward to partnering with you to help your student have an exceptional 2017-2018 school year.

Thank you,

Principal | Amanda Plummer

STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
