FROM THE PRINCIPAL

Dear Parents and Community Members,

In the 2016-2017 school year, Hamilton Creek School received a rating of a Level 3 in the area of Academic Achievement, a Level 4 in Academic Growth, and a Level 4 rating in Student Group Growth with a Level 5 being the highest level. As a school we were close to the state average in both English/Language Arts and Math. The staff at Hamilton Creek works hard to ensure that every child has a positive and enriching learning experience. As a Title I school, our students receive resources designated to provide enrichment and support in literacy and math.

The 2017-2018 school year will be year four of the Smarter Balance Assessment. The Smarter Balance Assessment

focuses on testing the Common Core State Standards (CCSS), which will have a strong emphasis on literacy across all content areas. You can help by monitoring homework, attending parent/teacher conferences, volunteering in our school, and making sure your child has good regular attendance. We look forward to partnering with you over the coming school year and look forward to every child having an enriching and rewarding experience.

Thank you,

Principal | Geno Bates

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
