FROM THE PRINCIPAL

Dear Parents and Community Members,

At Lacomb School, we believe that all students can succeed. We pride ourselves on providing a safe environment where students are free to learn and supported in reaching their full potential. We are working on developing strong programs that promote college and career readiness for all. This year, we will continue to implement the AVID program throughout the school, focusing on strong instructional strategies that provide rigorous, authentic learning opportunities for students.

In the 2016-17 school year, Lacomb School received an Overall Rating of 4 out of 5. We are proud of how hard our students work and the growth that they demonstrate. Our school will continue to receive Title I funds to provide extra support in reading and math. We will also continue providing other support and enrichment opportunities for students to develop as lifelong learners.

We know that strong relationships are the foundation for success, so we strive to develop connections with our students, our families, and our community. We will continue to use Positive Behavior Interventions and Supports (PBIS) to create a positive culture for students focused on our expectations of Be Safe, Be Respectful, and Be Responsible. We invite parents to be involved with the school and to participate in their child's education. We encourage families to actively monitor their child's progress, communicate with teachers, attend parent-teacher conferences, and volunteer at the school.

Our community is our strongest asset in Lacomb, and we hope to continue to work together to meet the needs of all of our students. Thank you for your support and all you do to make Lacomb great!

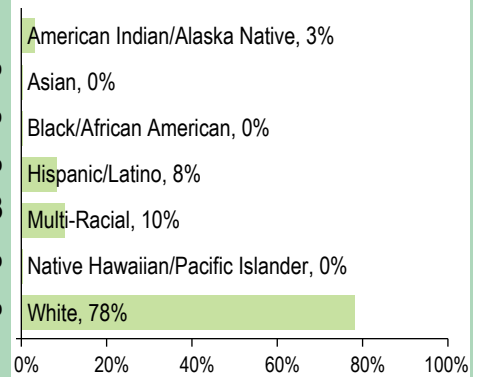

Thank you,

Principal | Whitney Connolly

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
