

FROM THE PRINCIPAL

Dear Parents and Community Members,

Pioneer School staff encourage students to Dream, Explore, and Discover. By providing equitable and engaging educational opportunities, Pioneer School strives to inspire and empower a diverse community of learners and leaders that persevere, collaborate, and care.

Pioneer School is a K-6 Title I school and receives resources to provide extra support in literacy and math. Pioneer School is a Positive Behavior and Interventions Support (PBIS) school and through solid routines and procedures we strive to create a safe, positive and respectful environment. We teach, model and expect students to follow the Pioneer School Expectations of: Be Safe, Be Respectful, Be Responsible and Be Kind. We believe in being partners with our students' families and in working together to ensure student success. We strongly encourage families to monitor student

attendance and homework, actively communicate with teachers, attend parent teacher conferences, and volunteer.

This year Pioneer School is excited to continue our work as an AVID (Advancement Via Individual Determination) elementary school promoting college and career readiness. Our teachers will be utilizing instructional strategies that engage students in learning making college readiness a reality for every student. There will be opportunities for families to learn more about our AVID program through upcoming school and district events.

We look forward to partnering with you to help your student have an exceptional 2017-2018 school year.

Thank you,

Principal | Tonya Cairo

STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
