## FROM THE PRINCIPAL

Dear Parents and Community Members,

At Sand Ridge Charter School, we strive to have every child working at their highest ability. We allow children to work above grade level so that they are able to be challenged and soar to their fullest potential. We pride ourselves on being an extremely safe school with a safe, welcoming environment that encourages children to concentrate and focus on being a student.

In the 2016-17 school year, Sand Ridge received an Overall Rating of 4 out of 5 on our report card. We are proud of how hard our students and staff work on a daily basis. It is an amazing balance of team work between student, parents and

staff that create such a marvelous environment for our students.

We have full-time assistants in every classroom which means that we have a low student to adult ratio, this allows for more small groups and more one on one time per student. This is also a great benefit in helping to control behavior issues; Sand Ridge Charter has had 0 suspensions in the last 3 years.

Our community is a great asset to Sand Ridge Charter; we would not be able to do what we do without the community support and encouragement. Thank you all!

Thank you,

Principal | Audrey Cota

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
