The right to public school enrollment for a homeless student is ensured under *NCLB Title X* and *ORS 399.115(7)*, which requires school districts to ensure that young people in a homeless situation have equal access to the same free, appropriate public education.

Who is eligible?

There are approximately 150 students in the Lebanon Community School District who are homeless and receive services to help them stay in school and succeed. A student and/or their family are considered homeless if they are in any one or a combination of the following living situations:

- Living with relatives or friends (including non-custodial grandparents);
- Living in a shelter, motel/hotel, vehicle or campground;
- Living on the streets, in a park, public spaces, abandoned buildings and bus or train station;
- Abandoned in a hospital; and/or
- Awaiting foster care placement.

What the Homeless Education Program Provides

The Homeless Education Program works with students and/or their family to eliminate the barriers related to school attendance and academic success. The program can provide any combination or all of the following:

- School fees;
- Assistance with school enrollment;
- Free meals program;
- School clothes and/or supplies;
- Information to and/or assistance with transportation;
- Tutoring; and/or
- Referrals to numerous community resources.
